

Celebrate and learn together

Friday 31st January

Dear Parents and Carers,

All classes in school have introduced a 'hook day' towards the start of each term. The 'hook day' will be linked to the new theme the children are learning with the aim to inspire learning and make it memorable.

On our class webpage, you can find theme webs that outline what the children will be learning over the next term. These are available on the website the week before the previous term ends. On the class webpage you will also find the long term plan for the year which provides an overview of what the children will be learning this academic year.

Each class will also have a class assembly to celebrate the work they have achieved in one of their themes this academic year. All parents and relatives are invited to this.

If you would like to know more please come and see me at the classroom door at pick up time or make an appointment via the school office.

Please find below a summary table showing the details of our class assembly as well as an overview of the hook days and any voluntary contributions for Year 5 for the rest of this academic year.

Further details for trips out will follow closer to the time.

Term	Theme	Hook	Date of hook	Voluntary contribution
Spring 2	Rich and Poor	Sensing Sculptures Workshop at the Holburne Museum	Wednesday 26 th February	Around £9
Summer 1	Land of the Free	Library visit	Friday 1 st May	Free
Summer 2	Achievements and Legacies	Sleepover at school	To be confirmed	Food

Class assembly time and date: Friday 15th May at 2.30pm

On another note, we are in desperate need of parents/relatives who can listen to children read in school on a weekly basis. If you know anyone that could spare 30 minutes a week or longer please let me know.

Yours Sincerely,

Miss Pilkington
