- Bee-bots

Science

- identify and name a variety of common wild and garden plants, including deciduous and evergreen trees
- identify and describe the basic structure of a variety of common flowering plants, including trees
- identify and name a variety of common animals including fish, amphibians, reptiles, birds and mammals
- identify and name a variety of common animals that are carnivores, herbivores and omnivores
- describe and compare the structure of a variety of common animals (fish, amphibians, reptiles, birds and mammals including pets)
- identify, name, draw and label the basic parts of the human body and say which part of the body is associated with each

PSHE + RE

- Relationships (PSHE)
- Changes (PSHE)
- Special Places

The challenge:

You must design and make a home for mini-beasts as part of a wacky hat design. You must research, design and make with craft materials and drawings your designs to add to your garden with some support.
