Dear Parents,

You may be aware that there have been some cases of Mumps in the Bath area recently. If your child has not received two MMR vaccines they are at risk of contracting any of these diseases. Therefore we are offering you the opportunity to bring your child to a community clinic to obtain this vital vaccine if they have not started or completed the course. To book into the clinic or if you are unsure and want to check your child's immunisation history please call 01225 838270 or 0333 234 1125.
