Have your say! Governors will be holding an informal Parents/Carers meet up. Areas for discussion: teaching and learning, open space and environment and culture and ethos. Held in the **Y5 and Y6 classrooms**. Refreshments offered. Hope you can pop in or stay a while.

Friday 15th February (last day of this short term)

Raising money to pave the Spiritual Garden:

1. Wear sports kit to school for the day for 20p.
2. Sponsored walk/run in the morning.
3. KS2 Talent Show for the whole school in the afternoon (1.15pm). 50p to enter and donation requested for parents who would like to come along. The Talent Show will be fun and nothing to worry about for performers. Children will be celebrated for having a go. If anyone runs over two minutes a bit, it will be ok. There is still time to enter e.g. tell some jokes, turn a hoop, read a poem etc. We don't have very good systems for music or microphones so please check before the event. Music CD's are about it and Parents coming along will need to help with the music please.

Snow Reminder

If there is heavy snow we'll text you by 7.45am to say if we are closed. Otherwise, assume we are open. Make sure we have your correct mobile phone number by calling the school.

A mixed age team had a friendly match with St. Julians School on 29th January. They battled on in freezing weather for this training session. Well done!

Football: First match pending. Watch this space...

Meeting Teachers

Teachers are very willing to talk to Parents/Carers about any concerns. Please avoid Wednesday after school for meetings though as that is our staff meeting time. Thanks.
