Well Done Y6!

Y6 have completed their Statutory Assessment Tasks (SAT's) this week. School provided breakfast at 8am each day and we used three different rooms in the school to ensure children had peace and quiet and could focus comfortably. The longest test is one hour and 15 minutes long and we were finished by 10.30am every day. Mrs. Crutchfield would like to commend Miss. Powell who all year has been encouraging children to try their best. We encourage children to enjoy the challenge of stretching their thinking skills. The children all tried their best and should be commended for their mature and sensible attitude.

MyMaths Club KS2

Wednesday Lunchtime in Y6 Classroom.

This is for children Y3 to Y6 who can't access MyMaths at home to do their maths homework.

CAKE SALE! THURSDAY 23RD MAY AFTER SCHOOL. PLEASE DONATE CAKES AND COME AND BUY SOME. IN AID OF OUR SPORTS LEADER'S IDEA: THEY WOULD LIKE A BASKETBALL NET AND POST FOR EVERYONE TO USE.

PTA Minutes from meetings

Please look on our website for PTA minutes. This is such a dedicated team of parents/carers who give their own time to benefit the children and we are very grateful for all they do. All parents/carers are welcome to meetings so please consider giving your time and support, particularly with the Summer Fair approaching. Ask in the Office for paper copies of minutes if required.

Thank you Emily M in Y6

Thankyou!

Grandparent's Day was a huge success and we welcomed 57 visitors! Many brought in items of interest and photographs from the past, which led to many interesting discussions. We even Face-timed a Grandparent abroad! A big thank you to Mrs. Rayment, Y3 teacher and History subject leader, who organised the afternoon for us.

Two pages this week, please continue reading....

Friday 17th May 2019 continued...

Please arrive at school on time

The 8.30am Run a Mile Club is no longer on, due to numbers falling, so **please arrive for the start of school just before 8.45am**. There is no need for children to arrive earlier than this and there is no supervision before 8.45am on site. There is a Breakfast Club in school if parents require childcare and it is really popular and fun!

Saturday 18th May St John's Church hall. Fundraising Event. Face Painting, cakes, crafts, car wash and much more. Everyone is welcome.

**Playtime Club Fridays 3.15-4.00pm
Spaces available still. Everyone welcome. Book in the Office. Just an extra playtime.**

Fort and Swings- Sorry children! We have invested in repairs this year (£5000) but there is some more deep rot we've found all round recently so the area is fenced off again. We will save what we can and then look ahead to a new fort or climbing area with fundraising in the future.

Parent Meetings week of 3rd June

Please call Mrs. Clark in the Office to make your appointment to meet your child's teacher, if you missed the letter. There are still appointment spaces left.

Chess Club

We have a great deal of interest for the game of Chess in KS2 this week. Louis M and Chloe I in Y4 have been supporting children new to the game and supervising a mini tournament this week for the more experienced players. School has purchased 6 chess sets for lunchtimes and benches to sit at. Could anyone donate a complete chess set or two please to help us accommodate more players?

School Value: Trust

A reminder that the school value this term is Trust. In assemblies and collective worship the children have been exploring trust in themselves, each other and God.
