**The A Team were overall
winners and the B Team
played with skill to win many
of their games.**

Well done Team St. John's!

A Warm Welcome

We are inviting children in before registration to help them settle into a morning task each day from 8.45am after half term (see Our News 12/10). There won't be a bell so please just wait in either playground until 8.45am and come on in! We'd appreciate if Parents/Carers visited now and then in the week but please avoid overcrowding each classroom.

Class entrances:

YR: Either side of the classroom.

Y1/2: From the KS1 playground.

Y3 to Y5: Either side of the classroom.

Y6: KS1 playground entrance.

Farewell

Mrs. Harrington, one of our Y5 Teachers, is leaving at half term to care for her young family. We wish her and her family every happiness. We have jiggged our current teaching staff about a bit to cover this gap successfully.

Thank you for everyone's support of the Disco. The PTA are stars and worked for weeks to prepare this for us. We are very lucky to have such dedicated and caring people leading our PTA.

Thankyou to Mrs. Hillier this week for organising clay poppy making, with our brilliant team of school volunteers. We will be creating a Poppy Field after half term for Remembrance.
