

Home Learning Menu Term 2

Great and Ghastly Events

This term we are learning about the value of aspiration in collective worship. We would love to see examples of how you have shown aspiration at home or within the community on seesaw! For example, a sporting, art or music achievement.

Teachers provide a Home learning Menu at the start of each new term as a part of the Termly Curriculum Overview. We ask that children select at least one activity from the menu and bring it into class or post it on Seesaw at the end of the term to share with the class and to celebrate during the last week of term.

Task Type	Option 1	Option 2	Option 3	Option 4
Thinking as a Writer	Describe a historical event.	Make a timeline of historical events.	Create a firework safety poster.	Write your own Great Fire of London poem.
Thinking as an Artist	Create your own firework drawing.	Create or learn a song to perform on the Great Fire of London.	To paint a Great Fire of London scene.	Create a model of a firework using junk material or clay.
Thinking as a Scientist	Make a list of everyday materials.	Find out which object is best to make an umbrella.	Compare and describe 2 materials and how they are used.	Explain how a material of your choice is changed and recycled.
