

## Home Learning Menu Term 4

### Who am I? Where am I?

This term we are learning about the value of opportunity in collective worship. We would love to see examples of how you have shown opportunity at home or within the community on seesaw! For example, they use opportunities that occur naturally to help others, both in at home and in the community.

Teachers provide a Home learning Menu at the start of each new term as a part of the Termly Curriculum Overview. We ask that children select at least one activity from the menu and bring it into class or post it on Seesaw at the end of the term to share with the class and to celebrate during the last week of term.

Task Type	Option 1	Option 2	Option 3	Option 4
Thinking as a Writer	Draw and label the different parts of a castle.	Draw and label the clothes worn by Queen Elizabeth I or Queen Victoria	Write a fact file on Queen Elizabeth I or Queen Victoria	Write a report on your favourite castle.
Thinking as an Artist	Build a model of a castle using materials of your choice.	Paint a picture of a castle of your choice.	Create a song about castles.	Create a catapult to break a castle wall.
Thinking as a Scientist	Create and draw a meal for a balanced diet.	Make a list of how the body changes during exercise.	Create an experiment showing the importance of staying clean.	Create a leaflet on how you can keep yourself clean and hygienic.
