

## Home Learning Menu Term 6 - Where we live

Teachers provide a Home Learning Menu at the start of each new term as a part of the Termly Curriculum Overview. We ask that children select at least one activity from the menu and either share on seesaw or bring into class during the last week of the term to share with the class and to celebrate.

Task Type	Option 1	Option 2	Option 3	Option 4
Thinking as a Writer	Create a tourist information leaflet about a UK national park	Write a poem about an area of the UK.	Write an explanation text about the water cycle.	Create a short video about a national park .
Thinking as a Designer	Create a sketch of a physical feature in Keynsham, e.g. a river	Use light and shadow to draw a 3D object.	Draw a landscape using perspective.	Create a drawing using a computer.
Thinking as a Scientist	Go on a rock hunt and see how many different rocks you can find.	Go fossil hunting.	Investigate the qualities of soil you need for growing different vegetables in the UK.	Create a video/ presentation explaining how fossils are formed.

This term we are learning about the value of **Aspiration** in collective Worship. We would love to see examples of how you have shown aspiration at home or within the community on seesaw!
