

## Home Learning Menu Term 3

### Extreme Weather

Teachers provide a Home learning Menu at the start of each new term as a part of the Termly Curriculum Overview. We ask that children select at least one activity from the menu and present this on Seesaw.

<b>Task Type</b>	<b>Option 1</b>	<b>Option 2</b>	<b>Option 3</b>	<b>Option 4</b>
<b>Thinking as a Writer</b>	Draw different weather symbols and label them.	Write you own seasons poem.	Make a leaflet on the different types of weather.	Write your own story set in a type of extreme weather e.g. tornado.
<b>Thinking as an Artist</b>	Make a homemade rain gauge.	Paint your own picture on a type of extreme weather	Take photos of different types of weather you see and put into a book.	Create your own weather map of the UK with weather symbols.
<b>Thinking as a Scientist</b>	Draw a picture of the 4 different seasons	Create a fact file about your favorite season	Design and make your own rain gauge	Create your own leaflet on about seasons in different countries

This term we are learning about the value of collaboration in collective worship. We would love to see examples of how you have shown collaboration at home or within the community on seesaw! For example, as part of a team or choir.
