

Home Learning Menu Term 2

Great and Ghastly Events

This term we are learning about the value of aspiration in collective worship. We would love to see examples of how you have shown aspiration at home or within the community on seesaw! For example, a sporting, art or music achievement.

Teachers provide a Home learning Menu at the start of each new term as a part of the Termly Curriculum Overview. We ask that children select at least one activity from the menu and bring it into class or post it on Seesaw at the end of the term to share with the class and to celebrate during the last week of term.
