This term we are learning about the value of collaboration in collective worship. We would love to see examples of how you have shown aspiration at home or within the community on seesaw! For example, a sporting, art or music achievement.

Please submit one piece of homework (or more if you wish) by the last Monday before half term.

The homework should be submitted on Seesaw then it can be shared on the white board in class for the children to see in the last week of term.
