

## Year 6 Home Learning Menu - Term 3 - In the Zone

Children have the option of choosing activities from the home learning menu below to complete during this term. Please can homework be brought in to school by the last week of term to be showcased in class. Videos and pictures can also be submitted on Seesaw.

Task Type	Option 1	Option 2	Option 3	Option 4
<b>Thinking as a writer</b>	Create your own 'David Attenborough' style commentary.	Write an activist speech on an environmental issue.	Write a diary entry as an explorer of one of the biomes.	Create a poem inspired by a biome.
<b>Thinking as an artist</b>	Recreate an Andy Warhol 'Endangered Species' artwork.	Experiment with printing in nature. What kind of prints can you make using things from outside?	Create a biome inspired artwork in an art style of your choice.	Design and make a biome diorama.
<b>Thinking as a scientist</b>	Create your own animal with adaptations for a biome of your choice.	Look at different animal species in a chosen biome and describe their adaptations to their environment.	Create a plant fact file for a biome.	Create an information leaflet for a chosen biome, describing what kinds of plants and animals live there.

This term we are learning about the value of collaboration in collective worship. We would love to see examples of how you have shown collaboration at home or within the community on seesaw! For example, as part of a team or choir.
