

Y3 and Y4 Earthquakes and Volcanoes

Task Type	Option 1	Option 2	Option 3	Option 4
Thinking as a Writer	Write an acrostic poem about a volcano.	Draw a large volcano and fill it with adjectives that you would use to describe it.	Write a description of what an erupting volcano would look like.	Write a story about being trapped after an earthquake has happened.
Thinking as a Geographer	Research information about a famous volcano.	Find out and explain where most volcanoes and earthquakes can be found.	Write an information leaflet explaining what a volcano is.	Draw and explain what happens if an earthquake occurs.
Thinking as a Designer	Design a strong structure to withstand an earthquake.	Create a safety poster to explain what to do if an earthquake happens.	Create a volcano picture or collage.	Explore the different colours of lava and produce a piece of art using them.

Y3 and Y4 Earthquakes and Volcanoes

Please submit one piece of homework (or more if you wish) by the last Monday before the end of term.

The homework should be submitted on Seesaw then it can be shared on the white board in class for the children to see in the last week of term.
