

Year R Home Learning Menu – Marvellous Me!

Our 'theme' during term 1 has a focus on Ourselves. **If** your child would like to extend their learning at home, they could engage in one of the following ideas (or choose one of their own). Please bring in any activities you have completed on Monday 18th October or upload a picture/video of the activity onto Tapestry by this date so we can share your child's learning with the rest of the class.

<p>Upload some photos of you when you were a baby – can you say how you have changed?</p>	<p>Sit in your garden – what sounds can you hear? Can you draw a picture of the things you heard?</p>	<p>Make some cupcakes or biscuits in the shape of your face.</p>
<p>Use paint to make some handprints of everyone in your family. Can you put them in order of size? If you don't have any paint – draw around everyone's hands on pieces of paper.</p>	<p>Find a book that tells you about your body.</p>	<p>Think about what you would like to do when you grow up – draw a picture or find a book about it.</p>
<p>Use a variety of materials to make a collage of your favourite meal.</p>	<p>This term we are learning about the value of respect in collective worship: self-respect, respect for the environment and respect for others including our family and community. We would love to see examples of how you have shown respect at home or within the community.</p>
