

## Year R Home Learning Menu – Marvellous Me!

Our 'theme' during term 1 has a focus on Ourselves. **If** your child would like to extend their learning at home, they could engage in one of the following ideas (or choose one of their own). Please upload a picture/video of the activity onto Tapestry by Monday 19<sup>th</sup> October so we can share your child's learning with the rest of the class.

Upload some photos of you when you were a baby – can you say how you have changed?	Sit in your garden – what sounds can you hear? Can you draw a picture of the things you heard?
Draw a picture of the people who are special to you.	Use paint to make some handprints of everyone in your family. Can you put them in order of size? If you don't have any paint – draw around everyone's hands on pieces of paper.
Find a book that tells you about your body.	Use a variety of materials to make a collage of your favourite meal.
Make a some cakes or biscuits and make them look like you!	Think about what you would like to do when you grow up – draw a picture or find a book about it.
