

Hi Mrs Graham,

I'm writing to tell you how rubbish sports day was this year. It was a complete wipe out! The first thing to go wrong was the weather - rain - what a joke! I can't believe you didn't even think about moving it to another day so we could've at least taken our macs off! Then, to make things worse, all the equipment had been left out the day before and had been nicked by some naughty teenagers for a laugh! To top it all off, the next-door neighbour's pet doggy (can't remember its name) got loose and started running away with all the balls; it ruined the egg and spoon race which is my absolute fave race! Anyway, I just thought you should know how annoyed I am and you'd better sort it out for next year.

Cheers,

Dave in Year 5
