

Dear parent/carers,

Following the introduction of Doodle Maths and Doodle English, we have found there are a few 'teething issues' with the system.

If your child has logged in and has selected that they find Maths or English 'easy' on the star slider, you may find that the 'levelling' questions end up being too hard. If this is the case, please email the school office on enquiries@stjohnskeynsham.co.uk, and we will reset your child's account so they can move the star slider to 'difficult'.

If your child has logged in and the questions are at an appropriate level, you do not need to do anything and can carry on using 'Doodle' as you currently are.

If your child has not logged in yet, we suggest you click on 'difficult' on the star slider when they are asked how they find Maths or English. This will ensure your child can answer the questions at the start and feel proud of their achievements. The questions will get progressively harder until they have reached the level 'Doodle' feels is appropriate for them.

Many thanks for your understanding and patience at this challenging time.

Mrs Bruton, Miss Powell and Mr Livingston.
