Dear Parents and Carers

Covid-19 Update

Having had confirmation from the parent concerned I am now in a position to share with you that the test results for the parent who had been self-isolating following close contact with a member of the public with a confirmed case of coronavirus have been received and have come back as negative.

We will continue to follow Public Health England and Department of Education advice and would like to thank you for your patience and continued support at this time.

Yours faithfully
