

Celebrate and learn together

Thursday 19th March

Dear parents/carers,

Please find information below regarding home learning during the period of school closure.

Daily Learning YR-Y6:

- Doodle Maths - 10 minutes a day on the 'X' a day feature.
- TTRockstars (Y1-Y6 only) – 10 minutes a day (not on shop).
- Doodle English (Y1-Y6) – 10 minutes a day on the 'X' a day feature.
- The termly overview for spellings for Y1-Y6 will be on the class webpage. Please continue to learn these as usual and test your child weekly at home.
- Where possible spend 10 minutes a day reading a book pitched at your child's correct reading level. Some online books are available at:
<https://home.oxfordowl.co.uk/books/free-ebooks/>

Weekly Learning YR – Y6:

- The Year 6 weekly revision guide homework will be on the class webpage.
- Children are expected to work their way through the home learning menu that is available on their class webpage. This will be shared and celebrated when school reopens.
- Tomorrow we will be sending home an exercise book for each child to enable them to complete writing activities whilst the school is closed. The activities to be completed will be posted on the website each Friday.
- Doodle Maths – complete the 3 activities set by the class teacher.
- Doodle English – complete the 3 activities set by the class teacher (Y1-Y6 only).
- One '2do' activity set by the class teacher from Purple Mash.

All online work will aim to be set by the class teacher on a Friday. The first activities will be set on Friday 20th March.

If you are able to do more:

- Children can select activities from the list of websites that can be found on the school website under 'latest news and events' (home learning).
- 'NumBots' are offering free access during the period of school closures. This can be accessed by clicking on the 'NumBot' icon when your child is logged on to TTRockstars (unfortunately this won't be available until Monday 23rd March at the earliest).

Best wishes

Mrs C Graham

Headteacher
