### **Seesaw Online Learning Platform – Year 1-6**

Dear Parents/Carers,

I hope this letter finds you and your family safe and well.

We are pleased to announce that in the coming weeks we will be using a secure online learning platform called Seesaw (<http://seesaw.me>) to support home-school learning in Years 1-6. Through using Seesaw we can support learning in a secure and safe way whilst providing individual feedback to children and parents. Seesaw gives children a place to document their learning whether working online or producing work that is not reliant on digital devices. Each child gets their own learning journal which can be used to add things like photos, videos, drawings, or notes.

However, before we can create your child/ren's accounts we need to obtain your permission. We would appreciate it if you could complete this short online form to give us consent to start creating your child/ren online learning account.

[Seesaw GDPR Consent Form](#)

Please can this form be completed by **Thursday 23<sup>rd</sup> April 2020**

**Without your consent** we will be unable to provide your child with online learning support via Seesaw.

We acknowledge that some families may need support with accessing online resources and we are working to address this. Please click on the following link to inform us of your internet/home learning availability (if you have not already done so). [Home learning survey](#)

Best Wishes

Mrs C Graham

Headteacher
