

Celebrate and learn together

18th October 2019

Dear children and parents,

This year school council and the PTA are considering raising money for a bike shelter. This is because the shed that we have at the moment only holds scooters. We are hoping that if we get a bike shelter it would encourage more children to cycle to school. To see if it does please could you complete the brief questionnaire at the bottom of this box and return it to school by Friday 25th October. If you could complete and return this letter it will enable us to put in a funding bid to B&NES.

Yours sincerely,

The School Council

Please tick a maximum of 2 boxes. My child(ren) usually travel to school by:

- Walking
- Bike
- Scooter
- Car
- Other

Would a bike shelter encourage your child to cycle? Please circle the correct answer:

Yes No

If you have answered

no, why not:
