Celebrate and learn together

July 2020

Dear Parents

I write to inform you that from 1st September 2020 there will be an increase in the cost of a school meal deal from £2.30 to £2.40 for paying pupils.

Our menus include British Chicken, Pork, Turkey, fish from a sustainable source, free range eggs and locally produced fresh vegetables, all of which we have seen an increase in costs along with increases to labour costs for our staff.

Our meals meet the government food-based guidelines and we feel it is important to note that school meals provided by Zest Catering remain very competitive. As always remains committed to providing a quality service and healthy meal to your child at lunchtime and we will continue to work in close partnership with your school to ensure we achieve this.

May I thank you most sincerely, for your continued support for our service, if you require information regarding free school meals please do not hesitate to contact your school administrator. If you have any queries regarding the provision of school meals or allergens/dietary requirements, please feel free to email us direct at zest@wellswaymat.com

Yours sincerely,

Claire Mansri

Catering operations manager
