

Dear Parent

Please read this information carefully before completing the St Johns Primary Enrolment Form.

LOCAL WALK

From time to time we have the opportunity for children to make local visits on foot. Examples might be walking to the church, making drawings of local buildings or investigating wildlife in our locality.

Individual Risk Assessments are undertaken for each visit and we always ensure that the recommended adult/child ratio is observed and that strict safety rules are followed.

It is statutory requirement that we obtain your permission to take your child out on local trips and therefore, to cover future visits of this nature, we would be grateful if you could indicate your consent on the form sent alongside this letter.

We will, of course, advise you of any visits when they are undertaken.

IMAGE CONSENT

We are proud of our learning at St Johns Primary School and enjoy sharing the successes of our pupils and staff. We do this within our school and Futura Learning Partnership using digital and print displays and in the wider community via our newsletter, on our website and social media.

For this reason, we sometime take photographs and videos of pupils. On some occasions, we will send images to local media outlets or invite them in to film or photograph activities. Pupils may also be interviewed/recorded/photographed by the media, education providers and researchers, or by their hosts when on educational trips and visits. This will only take place with the permission of the Headteacher and under appropriate supervision.

We would like your consent to take images of your child, and use them in the ways described below. You may withdraw your consent at any time and you may ask to see images of your child held by the school at any time.

I understand that:

Photos/videos of my child will be used on the school/Futura website

Photos of my child will be used in the school prospectus and other school print

Photos/videos of my child will be used in internal school walls an digital displays

Photos/videos of my child will be used on the school/Futura social media directly managed by those organisations

Photos/videos of my child will be used in press releases to the media issued by the school or Futura

Photos/videos of my child will be used in the school/Futura newsletter

Photos/videos of group activities (such as school production) will be shared with parents for a restricted period

Yours sincerely

Mrs Bruton

Reception Class Teacher
