

Hello Y5,

I hope you are all ok! I am thinking of you all and miss you already.

Well done for doing all your Doodling so far – you’ve obviously been working really hard. I’m really impressed with the work you’ve completed on Purple Mash. Your computer game mazes are looking really exciting – can’t wait to try out some more when they’re finished. Have you tried adding levels or instructions? I’m looking forward to seeing your work on Purple Mash next week. I hope you are working hard on your writing tasks – I can’t wait to see them when you come back to school. I’m especially looking forward to reading and sharing some of your Greek quests. I hope you have been tuning into Joe Wicks each day and completing his daily work outs! They have certainly been a challenge for me!

Not very far through at this point!

If you are having problems logging onto Doodle, please ask your grown up to email the office and we will do our best to resolve any issues. Don’t forget to check the website each Friday, for details of your home learning for the following week.

There are lots of extra things you can do at home to help your learning and here are some ideas of things to watch as well:

- David Walliams is doing a story time session every day at 11am on his website.
- Carol Vorderman is doing some Maths on her website.

Remember to check the home page of the website for a weekly video message.

Take care and I’ll be in touch again next week,

Miss Pilkington
