

Hello Year 6!

Hope you are all ok! I am thinking of you all and miss you already.

Well done for doing all your Doodling so far – you’ve obviously been working really hard. Don’t forget, I’m also setting an activity to do on Purple Mash which is a bit different (next week will involve having a go at animation) so try it out and see if you like it! Well done to those children who practised their typing skills this week on the ‘Falling Letters’ game!

I hope you are working hard on your writing tasks – I can’t wait to see them when you come back to school. I’m looking forward to reading some of your mythical creature descriptions!

I bet you’ve been enjoying the Joe Wicks daily workouts every morning. They have certainly been a challenge for me!

I like to take a break by practising my ukulele out in the sunshine! Have you taken up any new hobbies?

Hello Year 6! This is me just back from an early morning run. I hope you are all keeping fit and healthy, enjoying the sunshine and spending time with your families.

Mrs Bible

If you are having problems logging on to Doodle or Purple Mash, please ask your grown up to email the office and we will do our best to resolve any issues. Don’t forget to check the website each Friday, for details of your home learning for the following week.

There are lots of extra things you can do at home to help your learning and here are some ideas of things to watch as well:

David Walliams is doing a story time session every day at 11am on his website.

Carol Vorderman is doing some Maths on her website.

Also, remember to check the home page of the website for a weekly video message!

Take care and I’ll be in touch again next week,

Miss Bowers
