

*Celebrate and learn together*

Dear Parents and Carers

I hope that you are safe and well and had a lovely Easter, albeit under very difficult circumstances. Thank you for your continued patience, in what has been an unprecedented time in all our lives and for the many kind messages of support, they are lovely to receive.

I would like to thank our wonderful staff for continuing to come into school to support our vulnerable children and children of key workers. During this time our staff have been working exceptionally hard to ensure that all children have the best possible access to home learning. If you are still having difficulties please contact staff on the office enquiries email and someone will get in touch to help. You are all doing a great job, balancing work, home schooling and life in general. Please don't worry if your children don't manage to complete all the work set. More information about our new learning app to support both learning and communication between staff and children as well as parents will be available very soon.

As well as supporting home learning and coming into school on a rota basis, many staff have also been carrying out voluntary work to support the community. From delivering food packages, supporting the elderly with online shopping, weekly phone calls to elderly members of the community, collecting and delivering prescriptions for those who are self/isolating or shielding to making scrubs that are being delivered to RUH. Here is a lovely picture of our very own Mrs Singleton modelling some of the scrubs that she has made for RUH.

Best wishes to you all, take care of your wonderful families and please tell your children that we are missing them all and can't wait to have them back in school.

Kind regards,

Mrs Graham
