

As geographers we will...

- Identify and describe how the physical features affect the human activity within a location.
- Name and locate the countries of North and South America and identify their main physical and human characteristics.
- Describe how countries and geographical regions are interconnected and interdependent.
- Describe and understand key aspects of: human geography, including: settlements, land use, economic activity including trade links, and the distribution of natural resources including energy, food, minerals, and water supplies.

As writers we will...

- Debate aloud as Eco Warriors.
- Write discussion and information texts about environmental issues.
- Use persuasive techniques to persuade in our writing.

As artists we will...

- Combine line and colour
- Create a colour palette based upon colours observed in the natural or built world.
- Use the qualities of watercolour and acrylic paints to create visually interesting pieces
- Create innovative designs that improve upon existing products.
- Combine colours, tones and tints to enhance the mood of a piece.
- Use brush techniques and the qualities of paint to create texture.

Eco Warriors
