OPTIONAL HOMEWORK

BBC radio two hold an annual story-writing competition and it would be a lovely opportunity for our year 6's to take part. Children can write a 500-word story about absolutely anything. If they would like their story to be entered into the competition, then please email the school with their typed up story. More details can be found here:

We look forward to reading some of your entries! Prizes will be given for the most creative stories (they will not be judged on spelling and grammar).
